

CERTIFICATE of Appreciation

*University Rover Challenge (URC)
Organized by : The MARS Society*

It is to certify that **Tasfia Akter Sara** from Department of Computer Science and Engineering of Military Institute of Science and Technology (MIST) has worked in **Project Management** subteam of team **MONGOL BAROTA** to successfully participate in **University Rover Challenge 2021**. It is to be mentioned that MIST MONGOL BAROTA topped this premium robotics competition in the Virtual Final at 03 - 06 June 2021.

We wish her a bright and prosperous future.
