

EXPERIENCE CERTIFICATE

This is to certify that **Tasfia Akter Sara** has served as a **Lecturer** in the Department of Computer Science and Engineering at the Military Institute of Science and Technology from April 15, 2024, and is scheduled to complete her service on September 6, 2026.

During her tenure, she has demonstrated sincerity, honesty, diligence, and dedication to her academic responsibilities while maintaining a highly professional attitude. She has competently taught and conducted several theoretical and sessional courses, including Object Oriented Programming Language, Theory of Computation, Structured Programming Language, Digital Logic Design Sessional, Operating System Sessional, and Data Structures and Algorithms Sessional.

She is a determined and enthusiastic teacher who continuously strives to expand her knowledge and effectively impart it to her students. Her commitment to teaching and student development has been reflected in the excellent feedback she has received from her students. In addition to her teaching responsibilities, she has actively engaged in research across Human-Computer Interaction, Digital Image Processing, Machine Learning, Computer Vision, and the Internet of Things (IoT).

To the best of my knowledge, Tasfia Akter Sara has not been involved in any activity subversive to the state or the institute. Throughout her service, she has proven herself to be trustworthy, articulate, courteous, and professional in her conduct.

I am confident that her academic competence, dedication, professional integrity, and enthusiasm for teaching and research will make her a valuable asset to any academic institution or professional organization she joins.

I wish her all the best and success for her future endeavors.
